ONGOING Traffic Impacts

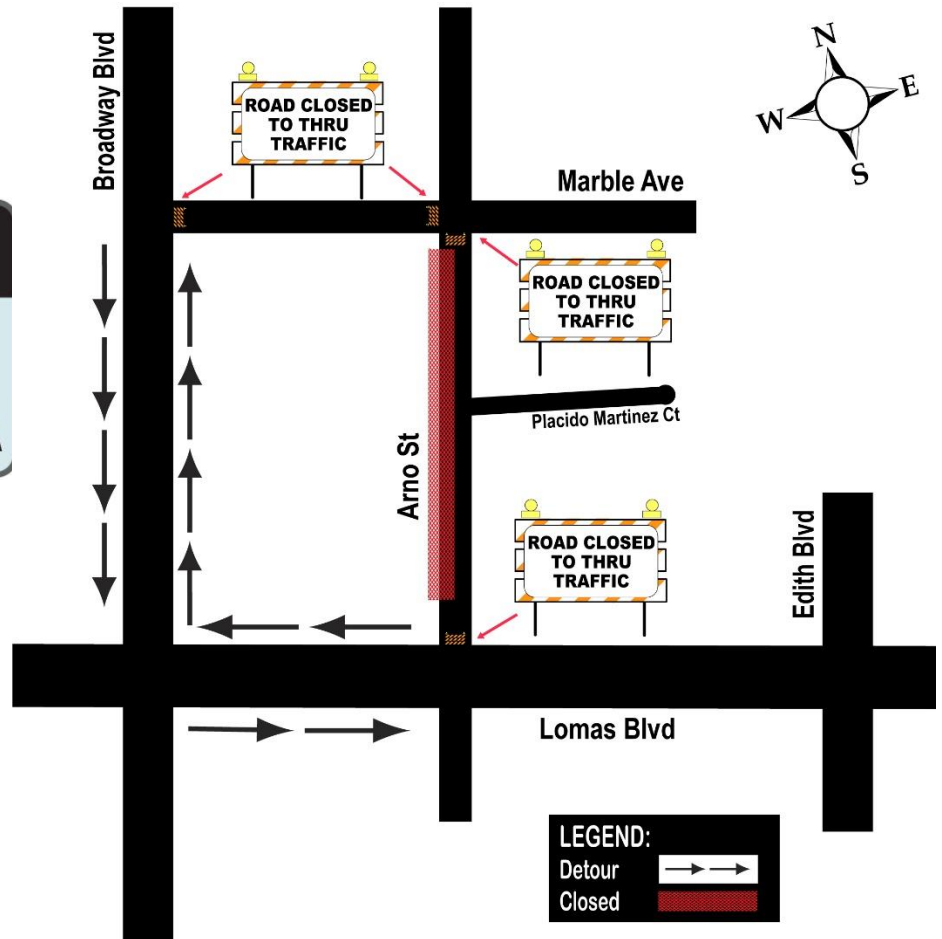

Lasting through early January 2021, Arno Street will be closed to thru traffic from north of Lomas Blvd. to south of Marble Ave. Also, Marble Avenue is closed to thru traffic from Arno Street to Broadway Blvd. *Local traffic only will be allowed and access will be maintained to all businesses and residents.* Traffic can use Broadway Blvd. or Lomas Blvd. as detours.

Crews are installing a new sewer line, which requires a deep trench. **Please use extra caution and avoid the area of the trench if at all possible.**

NOTE: Both PNM and Kelly Cable are working on line relocations within the existing traffic barricades.

AUI is the contractor for the project. Regular work hours are **Monday-Friday from 7 a.m.-5 p.m.**, although the contractor may work longer hours or on weekends as needed. **Crews will be off on Thursday, Nov. 26 and Friday, Nov. 27 in observance of the Thanksgiving Holiday. Traffic barricades will remain in place for safety.**

For more information, please visit www.marblearno.com. You can also sign up for **free** construction updates via email. Contact **Lucas Baca** or **Patti Watson** at the numbers and email addresses above with your questions or comments.

All construction is weather permitting and is subject to change without notice.
