NEW: On Wednesday, Dec. 2, the right (outside) lane of westbound Lomas will be closed between Broadway Blvd. and Arno Street so that crews can install a new power pole. **ACCESS WILL BE MAINTAINED TO Carl's Jr. and Starbucks.**

ONGOING: Lasting through early January 2021, Arno Street is closed to thru traffic from north of Lomas Blvd. to south of Marble Ave. Also, Marble Avenue is closed to thru traffic from Arno Street to Broadway Blvd.

Local traffic only will be allowed and access will be maintained to all businesses and residents. Traffic can use Broadway Blvd. or Lomas Blvd. as detours.

Crews are installing new storm drainage pipeline, which requires a deep trench. **Please use extra caution and avoid the area of the trench if at all possible.**

AUI is the contractor for the project. Regular work hours are **Monday-Friday from 7 a.m.-5 p.m.**, although the contractor may work longer hours or on weekends as needed.

For more information, please visit www.marblearno.com. You can also sign up for **free** construction updates via email. Contact **Lucas Baca** or **Patti Watson** at the numbers and email addresses above with your questions or comments.

All construction is weather permitting and is subject to change without notice.
