

CONSTRUCTION UPDATE – Northbound and southbound Broadway may have outside lanes closed for utility work through end of 2020
Update As of Friday, Dec. 18, 2020

CONTACTS for questions and concerns:

Patti Watson, 505-245-3134 office; 505-269-9691 cell; pattiw@cwastrategic.com
 Lucas Baca, 505-417-9989 cell; lucasb@cwastrategic.com

TENTATIVE: Based on receipt of some outstanding equipment, Kelly Cable may be connecting underground cable on Broadway NE. During this work, **Broadway will have both the northbound and southbound outside lanes closed north of Lomas Blvd. as well as a small portion of northbound Broadway closed south of Lomas Ave.** Access will be maintained to the Carl's Jr. and the Starbuck's Coffee.

ONGOING: Lasting through January 2021, Arno Street is closed to thru traffic from north of Lomas Blvd. to south of Marble Ave. Also, Marble Avenue is closed to thru traffic from Arno Street to Broadway Blvd. **Local traffic only is allowed and access will be maintained to all businesses and residents.** Traffic can use Broadway Blvd. or Lomas Blvd. as detours.

Crews are installing new storm drainage pipeline, which requires a deep trench. **Please use extra caution and avoid the area of the trench if at all possible.**

AUI is the contractor for the project. **NOTE: AUI will not be working on Thursday, Dec. 24 or Friday, Dec. 25 in observance of the Christmas holiday although some subcontractors may be working on Thursday, Dec. 24.** Barricades will remain in place for safety. Regular work hours are **Monday-Friday from 7 a.m.-5 p.m.**, although the contractor may work longer hours or on weekends as needed.

For more information, please visit www.marblearno.com. You can also sign up for **free** construction updates via email. Contact **Lucas Baca** or **Patti Watson** at the numbers and email addresses above with your questions or comments.

All construction is weather permitting and is subject to change without notice.
