

**CONSTRUCTION UPDATE – Crews repaving Arno Street and wrapping up construction on the north side of Lomas Blvd. - Update As of Thursday, April 29, 2021**  
*Note: All work is weather permitting and is scheduled to change without notice.*

**CONTACTS** for questions and concerns:

**Patti Watson**, 505-245-3134 office; 505-269-9691 cell; [pattiw@cwstrategic.com](mailto:pattiw@cwstrategic.com)  
**Lucas Baca**, 505-417-9989 cell; [lucasb@cwstrategic.com](mailto:lucasb@cwstrategic.com)

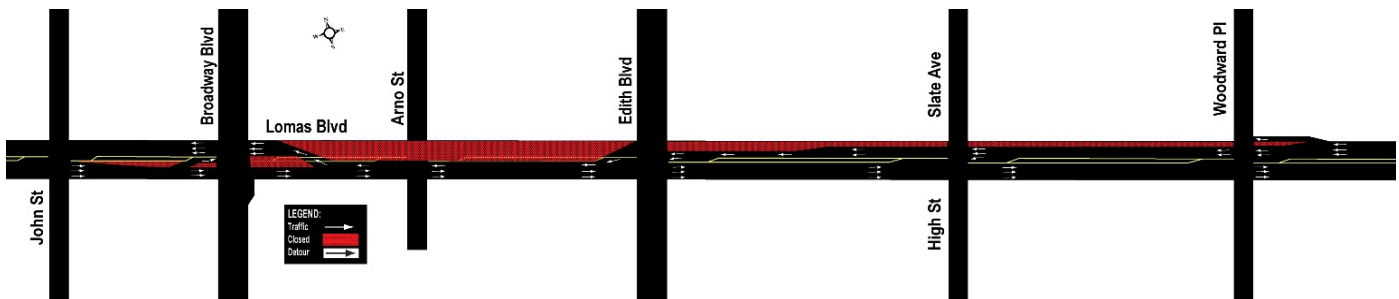

**Update on Arno Street & Marble Ave:** Arno Street should be fully repaved by the week of May 3-7, 2021, but will be **open to local traffic only** since pipeline installation is scheduled for Marble Ave between Arno St and Broadway in late May. Marble Ave will not be repaved until after the pipeline is installed.

Crews are continuing work which requires deep trenches. **Please use extra caution and avoid the area of the trenches if at all possible.**

**Update on Lomas Blvd:** Crews are wrapping up work to install storm drainage pipeline on the north side of Lomas Blvd. **Repaving of this area is tentatively scheduled the week of May 10-14, 2021** with construction scheduled to switch to the south side of Lomas the following week. Continuing until repaving, **the north side of Lomas is closed from Edith Blvd to west of Arno St.** Traffic is shifted to the south side of Lomas in this area, with one lane of traffic open westbound and two lanes of traffic open eastbound. (See map below.)

AUI is the contractor for the project. Regular work hours are **Monday-Friday from 7 a.m.-5 p.m.**, although the contractor may work longer hours or on weekends as needed. **Access will be maintained to all businesses and residences.**
