

CONSTRUCTION UPDATE – Crews to open north side of Lomas Blvd and close south side of Lomas Blvd from Broadway Blvd to west of Edith Blvd beginning Wednesday, May 19, 2021
[Update As of Monday, May 17, 2021](#)

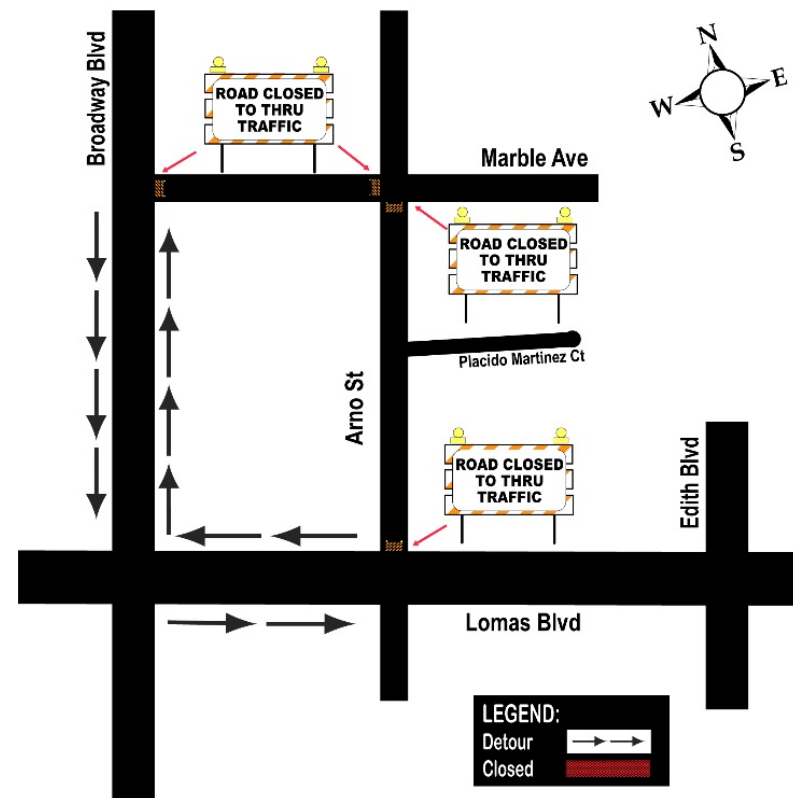

Note: All work is weather permitting and is scheduled to change without notice.

CONTACTS for questions and concerns:
 Patti Watson, 505-245-3134 office; 505-269-9691 cell; pattiw@cwastrategic.com
 Lucas Baca, 505-417-9989 cell; lucasb@cwastrategic.com

NEW: Beginning Wednesday, May 19, crews will reopen the north side of Lomas Blvd and **CLOSE** the south side of Lomas Blvd from Broadway Blvd to west of Edith Blvd so they can install storm drainage pipeline on that side of the street. Traffic will be shifted to the north, with one lane open in each direction (east and west) on Lomas Blvd in the construction area. This work is expected to last through late July.

Arno Street & Marble Ave: Arno Street is fully repaved between Lomas Blvd and Marble Ave. Work is still required on Marble Ave between Arno Street and Broadway. Therefore, paving for Marble will be scheduled in the future. **For that reason, both Marble and Arno are open to local traffic only.**

ACCESS WILL BE MAINTAINED TO ALL RESIDENCES AND BUSINESSES.

Some of the work being performed requires deep trenching. Please use extra caution

and avoid the area of the trenches if at all possible.

AUI is the contractor for the project. Regular work hours are **Monday-Friday from 7 a.m.-5 p.m.**, although the contractor may work longer hours or on weekends as needed.
