NEW: Beginning Monday, July 12, 2021, Broadway is scheduled to be **COMPLETELY CLOSED** from north of Lomas Blvd to south of Mountain Rd for about 90 days, through early to mid-October 2021.

As often as possible, the contractor will allow access to the U.S. Post Office from Mountain Rd to Broadway Blvd. The contractor will maintain access to businesses and residents.

However, all other traffic will be detoured (see map to right). **Southbound traffic on Broadway will be detoured west on Mountain Rd, then south on 3rd Street, then east on Lomas to access Broadway.** Northbound traffic on Broadway will be detoured west on Lomas, then north on 2nd Street, then east on Mountain Rd to access Broadway.

NOTE: Access will be provided to the Starbucks and Carl's Jr. at the southeast corner of the intersection of Broadway Blvd and Lomas Blvd via Lomas Blvd or from a temporary road that is on Arno Street just north of Lomas (see map to left). All traffic will exit the Starbucks and Carl's Jr. parking lots via the temporary access road on Arno Street.

AUI is the contractor for the project. Regular work hours are **Monday-Friday from 7 a.m.-5 p.m.**, although the contractor may work longer hours or on weekends as needed.

This closure is needed for safety due to size and depth of the trenches in Broadway Blvd for the large pipe being laid in the street. We apologize for the inconvenience and appreciate your patience.
