ONGOING: Broadway Blvd is **COMPLETELY CLOSED** from north of Lomas Blvd to south of Mountain Rd through early to mid-October 2021. Also, local traffic only is allowed on Arno St between Lomas Blvd and Granite Ave and on Marble Ave from Arno St to Broadway Blvd. Access to the Starbucks and Carl's Jr. is via Arno St.

Crews are working extended hours Monday-Saturday from 6/7 a.m.-4/6 p.m. to get the construction on Broadway Blvd completed as quickly as possible.

When possible, the contractor will allow access to the U.S. Post office from Mountain Rd to Broadway Blvd. The contractor will maintain access to businesses and residents.

All other traffic is detoured (see map to right).

Southbound traffic on Broadway will be detoured west on Mountain Rd, then south on 3rd Street, then east on Lomas to access Broadway. Northbound traffic on Broadway will be detoured west on Lomas, then north on 2nd Street, then east on Mountain Rd to access Broadway.

AUI is the contractor for the project.

This closure is needed for safety due to size and depth of the trenches in Broadway Blvd for the large pipe being laid in the street. We apologize for the inconvenience and appreciate your patience.
