Crews are continuing work on Lomas Blvd to restore medians and curb and gutter. They are also demolishing the old pump station as well as removing debris.

Ongoing for the next several weeks:  
**The left-hand lanes on eastbound and westbound Lomas Blvd will remain closed from Broadway Blvd to Edith Blvd.** Two lanes of traffic (eastbound and westbound) will remain open on Lomas Blvd.

**Ongoing through June 2022:**

Due to unforeseen circumstances, demolishing the pump station and hauling away debris will take longer than expected.

**During this work, the right-hand lane of southbound Broadway will be closed from Granite Ave to Marble Ave.** One lane of traffic will remain open southbound and two lanes will remain open northbound on Broadway Blvd.

We appreciate your patience as crews work to complete the project. Regular work hours are **Monday-Friday from 7 a.m.-5 p.m.**, although the contractor may work longer hours or on weekends as needed.
