Beginning Monday, April 4, 2022, and lasting for approximately two (2) months through early June 2022, the right-hand lane of southbound Broadway Blvd will be closed from north of Granite Ave to north of Marble Ave so crews can demolish the old pump station and haul away the debris.

One lane of traffic will remain open for southbound traffic on Broadway Blvd and access will be maintained to all businesses and residents.

We appreciate your patience as crews work to complete this project. Regular work hours are **Monday-Friday** from **7 a.m.-5 p.m.**, although the contractor may work longer hours or on weekends as needed.

All construction is weather permitting and subject to change without notice.
